

## 2024 HSC Design & Technology MAJOR PROJECT

# Designer Statement

### Name

Joshua  
Farrelly

### Title

Hoop Help: Basketball  
Tutorial Website

### Area of Design

Website design

The aim was to design, develop and evaluate a basketball training app that provides users with a variety of skill-building exercises to help develop their basketball ability.

This application will allow players to access a range of assistance all in one place. Furthermore, this application aims for accessibility by a wide variety of users, offering a wide scope of drills that encompass the whole game of basketball.
